# Company profile

## ▶ **About Us**

- ▶ We are a secondary generation company, based in South Bulgaria , Petrich.
- ▶ We own a production department, where we **produce** plastic industrial accessories, for the following sectors:
  - Tourism industry
  - Livestock industry
  - Energy sector
  - Automotive industry
  - Hygiene sector
- ▶ We also own a machine shop where we design , develop and construct our molds for plastics and metallic constructions.

## ▶ **We offer**

- High quality plastic products.
- Competitive prices , because we are producers, not second-hand dealers or importers.
- Great experience in design and construction, because we are a second generation company.
